## The Chandler Family Association

### 2013 Annual Meeting

September 13 & 14

Charlotte, NC

The Chandler Family Association, chartered in 1991, is a family-name genealogy group devoted to researching Chandler ancestors. The CFA, which has a membership of about 600 in 45 U.S. states and five other countries, will be in Charlotte, North Carolina, on September 13 and 14, for our 2013 Annual Meeting.

#### Headquarters Hotel

Hilton Charlotte University Place · 8629 Jim Keynes Drive · Charlotte

Most of Friday, September 13, will be reserved for research and sharing information. The extensive CFA Library, a photocopier, free copies, and research assistance will be available. Friday evening we will enjoy a buffet dinner at nearby Firewater Restaurant.

The schedule for Saturday, September 14, includes election of officers and our annual business meeting. Research and sharing will continue both before and after the meeting.

Membership (\$20 annually) is open to anyone interested in Chandler genealogy. CFA policy allows each member attending the meeting to bring one non-member guest (spouse or traveling companion). The member and the guest both will have full access to CFA research materials and may participate in meals and activities. If a member has additional guests who are not interested in research, these guests are welcome to join us for dinner at \$25 per person (reservation and pre-payment required). Walk-ins will be welcomed upon payment of a \$20 meeting fee, which includes access to research materials at the Annual Meeting and a 1-year membership in the CFA.
