

Chandler Family Association meeting set for Huntsville, Alabama

The Chandler Family Association will hold its 2012 Annual Meeting September 14 and 15 in Huntsville, Alabama. Dedicated to increasing knowledge of the heritage of all Chandlers, the Chandler Family Association has a worldwide membership approaching 600 from many genetically-distinct Chandler families.

Headquarters for the meeting will be the Holiday Inn Downtown. The members will meet there for research, sharing, socializing and taking care of association business on Friday, September 14, and Saturday, September 15. A tour and dinner at Burritt on the Mountain, a historic park and location of a cabin lived in by several generations of Chandlers, is planned for Friday evening.

Anyone interested in Chandler genealogy is invited to membership in the CFA. Walk-ins will be welcomed to the meeting upon payment of a \$20 fee, which includes a one year membership and full access to research materials and assistance, plus three issues of the award-winning newsletter.
