

CHANDLER

The Chandler Family Association 2018 Annual Meeting

September 14 and 15

Little Rock, Arkansas

The Chandler Family Association, a family-name genealogy group devoted to researching Chandler ancestors, will hold our 2018 annual meeting in Little Rock, Arkansas, on September 14 and 15. The CFA has over 600 members worldwide.

Most of Friday, September 14, will be reserved for research and sharing information. The extensive CFA Library, free photocopies and free research assistance will be available. Friday evening we will enjoy a buffet dinner at Brown's Country Store and Restaurant in Benton, Arkansas.

The schedule for Saturday, September 15, includes our annual business meeting at 10 a.m. Research and sharing will continue both before and after the meeting.

Membership (\$20 annually) is open to anyone interested in Chandler genealogy. Walk-ins will be welcomed upon payment of a \$20 meeting fee, which includes access to research materials at the meeting and a 1-year membership in the association. CFA policy allows each member attending the meeting to bring one non-member guest (spouse or traveling companion). The member and the guest will have full access to CFA research materials and may participate in meals and activities. If a member has additional guests who are not interested in research, these guests are welcome to join us for dinner on Friday. (Reservation and pre-payment required.)

Our headquarters hotel:
Little Rock Marriott
3 Statehouse Plaza
