was married July 14th 1858*

QUESTIONED TRANSCRIPTIONS from the Births Page

*Transcribed as:
DANIEL STOVAL CHANDLER JR. BORN AUG. 25, 1839*

The visible text includes: “was born August 25th 183”

The full listing of the year is not actually visible.

Available sources at this time estimate a year of birth as either 1838 or 1839

*Transcribed as:
LITTLEBERRY CHANDLER BORN JAN. 11, 1841*

**The visible text may show a date of January 11th or 14th
and the year is not visible.**

The year 1840 is listed on his death certificate and headstone.

His death certificate lists 14 January and an image of his headstone isn't clear enough to fully determine if 11 or 14 is engraved on the stone.
