Notes for this Chandler Family

My first impression of the list of birth dates for this family bible is that it might include a mother, and her children.

With this as a working hypothesis, the mother would be Mary H Chandler born December 12th, 1789. The list continues with her children Henry, Celesler, William, Martha, Francis, James, Jenny, John, Isaac, and Joseph. There are other ways to interpret the birth date list, but this approach is the easiest to start out with.

Unfortunately, I was not able to match this family, or even any one single individual to anyone's family tree in the Chandler Family Association Lineages Database. The bible records for this family have been added to CFALD, but are not linked to any preexisting family lines.

At the time of the original publication in 2000 under the auspices of the National Society Daughters of the American Revolution, the Bible was listed as in the possession of descendant, John Lewis Duke, who was born 20 Jan 1908. Records show that he passed away in 2011. It appears that his line of descent is as follows:

Mary H Chandler b. 1789

Martha Ann S, Chandler 1821-1880 [her headstone reads Dec. 26, 1822]

Adeline "Addie" O Hunter 1859–1938

Inez Addie Boggs 1880–1938

John Lewis Duke 1908–2011

If any family researchers out there can tell us which Chandler family line this group of individuals belongs to, please contact us and share your information.

Thank you,

Glen Smith CFA VPres.
