## **Bible Notes**

The family record in these Bible pages is primarily for Thompson Chandler, his wife Margaret (her maiden surname is believed to be Smith), and their eleven children.

Family oral history is unclear as to who actually made the notations in the Bible. Common belief is that Ransom Kiles Chandler owned the bible for some time, and he is sometimes credited with having made the entries. All of the Family Record information appears to have been entered at the same time. All of the birth dates listed here predate the 1858 publication date of the Bible.

A notation for Henry Chandler appears on the title page of the Bible, and for Walter Chandler at the top of page 4 of Family Records. The relationship of these two individuals to Thompson Chandler are unknown at the present time.

Thompson Chandler's ancestral lineage is uncertain. A discussion of several possibilities and of the Y-DNA studies that have been done for this family line can be reviewed at:

<https://www.chandlerfamilyassociation.org/home/genetic-chandler-families/genetic-chandler-family-group-11/>

Several male descendants of Thompson Chandler's line have Y-DNA tested and been assigned the designation of Chandler Y-DNA Group 11 by the Chandler Family Association DNA Project.
