## Preface:

Jacob Chandler 1824-1896 is believed to be a descendant of George Chandler born in England in 1633. George's oldest son remained in England when he attempted to bring his family to the American Colonies in 1687. George and his youngest son died during the crossing of the Atlantic, but the rest of his family was able to make it to America. George's remaining three sons became the progenitors of the Chandler Y-DNA Group 7B lineages that took root in the Pennsylvania area.

An excellent source of information about this family is by The Chandler Family Reunion Committee titled *A Record of the Descendants of George and Jane Chandler, who emigrated to Pennsylvania from Wiltshire, England, in 1687*, Apple Manor Press, 1937.

## Timeline:

- 1633 George Chandler I born in England
- 1671 George Chandler II born in England
- 1687 George Chandler I dies at Sea on the way to America
- 1699 George Chandler III born in Pennsylvania

- 1733 George Chandler IV is born to George III and Elizabeth
- 1759 George Chandler IV marries Jane McConnell
- 1761 George Chandler III dies in Pennsylvania
- 1761 John Chandler is born to George IV and Jane
- 1809 George Chandler IV dies in Pennsylvania
- 1822 John Chandler marries Ann Harper
- 1824 Jacob Chandler is born to John and Ann
- 1830 John Chandler dies in Ohio
- 1854 Jacob Chandler marries Mary Ann Thompson
- 1855 This Bible is Published
- 1896 Jacob Chandler dies in Pennsylvania

## Notes:

Jacob Chandler's Bible contains recorded information that occurred prior to the publication date of the Bible. The handwriting characteristics seem to indicate that at least three different individuals recorded that information.

Of the three pages of entries we have available to examine, one individual seems responsible for the three entries on the Births page, the one and only entry on the Marriages page, and the last two entries on the deaths page.

Another individual seems to have made a single entry on the Deaths page for Margaretta Chandler.

The third individual to have made entries, made all of them in succession in the left hand column of the Deaths page. All of the death dates for these individuals are prior to the year 1855 when this Bible was published, and it is likely that this information was transcribed from some other source.

It is interesting that two different formats are used for recording dates. The Deaths page begins with the firsts twelve deaths recorded using the spelled out name of the month, as does the listing for Margaretta Chandler. All other Birth, Marriage, and Death dates in this Bible give a numerical listing for the month i.e. February is recorded as the 2<sup>nd</sup> mo.
